## CIRCULAR

Sub: - Education - Technical - Planning Section - Collaboration of Polytechnic faculty with Research Centres in Government Engineering Colleges - Circular - Reg

Research centres are functioning in all Government Engineering Colleges under the Directorate of Technical Education. All faculty members of Government and Aided Polytechnic Colleges, are encouraged to join these research centres and collaborate in project works. Such collaboration will lead to innovation, publications, patents and faculty/student start-ups. Moreover, faculty from other Govt. and Aided Engineering colleges can also collaborate with research centres of any Govt Engineering college depending upon the area of interest. All these collaborations are to be attained without compromising current teaching activities.

The Principals of all Government and Aided Polytechnic and Engineering Colleges are directed to bring this circular to the notice of all faculty members.
