REG

Ref :- Letter received from KDISC NO.154/2020/KDISC dated 09/02/2024

The Young Innovators Programme(YIP) is a flagship programme of the Government Of Kerala launched by the Kerala development and Innovation Strategic Council(k DISC) that strives to embed knowledge-driven real-life problem solving and collective local action on Global Challenges and Kerala"s second- generation Developmental issues within the Public Education System to make it relevant and future -proof .

The scheme of YIP which was approved by the Council of Ministers. It gives ownership to educational Departments and emphasises on more participation by Government Educational institutions,girls and students from marginalised communities in the programme

Registration of Institutions for YIP 2024 is currently on going . All the Institutions under our department may adopt immediate steps to get registered for the YIP. **The last date for Engineering College/Polytechnic student registrations & idea submission is February 25, 2024.**

Our students should also be encouraged to be participated in the orientation Programmes and should also ensure maximum students registration to submit the ideas to the Young Innovators Programme. Polytechnic Students who submit ideas in YIP are also eligible to get relevant activity points under SBTE.

The K DISC representative will be contacting you with the details of the YIP Programme. It is requested that all Heads of Institutions need to issue the necessary Guidelines to our faculty and students so that YIP 2024 will be a grant success
