ORDER

As per the directions issued by the Government, Kerala Fibre Optic Network Limited (KFON) has been designated as the primary internet connection in all Government offices in connection with the implementation of e-Office.

Accordingly, the Directorate of Technical Education (DTE) has implemented KFON connection as the primary internet connection in all remaining offices and institutions under its jurisdiction. The Government had earlier clarified that the KFON facility is provided free of cost to all Government offices. However, as per the Government Order read as (1) above, it was directed that all offices and institutions shall make payment of invoices submitted by KFON Limited towards internet usage charges without delay.

Subsequently, as per read (2) above, KFON Limited has submitted invoices for various offices and institutions under the Department of Technical Education with effect from 01.04.2024, which include connection charges and one-time installation charges. The same has been examined in detail in this Department.

Under the above circumstances, and considering the necessity of high-speed internet connectivity for the efficient functioning of the Department, **Administrative Sanction is hereby accorded for the payment of KFON invoices pertaining to the offices and institutions under the Directorate of Technical Education for One year w.e.f 01.04.2024 , as detailed in the Annexure attached, for a total amount of ₹ 29,24,953 /- (Rupees Twenty Nine Lakhs Twenty Four Thousand Nine Hundred and Fifty Three only).**

The Head of institutions/offices shall ensure that all previous dues are settled to avoid disconnection of services and all procedural formalities are complied with this regard

The Expenditure in this regard will be met from the Head of account **2203-00-001-92 PLAN (Enhancement of Academic Ambience).**

JAYAPRAKASH P
DIRECTOR

To,

1. Head of Institutions (Through www.dtekerala.gov.in)
