Sir,

Sub: IHRD - Invitation for Students to Participate in the District and State Level AI Quiz Competition – International Conclave on Generative AI & Future of Education, Dec 2024 – reg

Greetings from the Institute of Human Resources Development (IHRD).

We are pleased to announce that, after the success of the first International Conclave on AI during 2023, the Institute of Human Resources Development (IHRD) and the Higher Education Department of Kerala are co-organizing the second edition of the International Conclave on Generative AI and the Future of Education, taking place from December 8th to 10th, 2024, in Thiruvananthapuram.

As part of our comprehensive program, we are organizing district-level and state-level quiz competitions for school and college students focused on AI and its applications. This quiz is an excellent opportunity for students to showcase their knowledge and engage with cutting-edge advancements in artificial intelligence. The competitions will take place from 1st to 30th November 2024 across all districts, followed by the grand finale on 10th December 2024 at the Conclave venue in Thiruvananthapuram. Further details about the competitions can be found on the conclave website <https://icgaife2.ihrd.ac.in/>

We kindly request you to widely publicize this event among the institutions under your jurisdiction and encourage students to participate in this exciting quiz competition taking place in their respective districts. Their involvement will provide them with a valuable platform to showcase their knowledge of AI and engage in meaningful discussions about the future of education and technology.

Please let us know if you need any additional information. We look forward to your positive response and the enthusiastic participation of your students in this remarkable event.

Thanking you,

Yours faithfully

Director
