

About TPLC

Translational research and professional Leadership Centre (TPLC) is an interdisciplinary centre functioning at Government Engineering College, Barton Hill, Thiruvananthapuram since 2015 with the introduction of the interdisciplinary M.Tech. program in Translational Engineering. The program is approved by AICTE and affiliated to KTU. The Centre also undertakes projects of social relevance, involving students, faculty, Govt. departments & NGO's and offers a variety of training programs too.

About LaTeX

LaTeX, is a document preparation system for high-quality typesetting. It is most often used for medium-to- large technical or scientific documents but it can be used for almost any form of publishing. LaTeX is not a word processor. Instead, LaTeX encourages authors not to worry too much about the appearance of their documents but to concentrate on getting the right content.

LaTeX Features

- Typesetting journal articles, technical reports, books, and slide presentations.
- Control over large documents containing sectioning, cross-references, tables and figures.
- Typesetting of complex mathematical formulas.
- Advanced typesetting of mathematics with AMS-LaTeX.
- Automatic generation of bibliographies and indexes.
- Multi-lingual typesetting.
- Inclusion of artwork, and process or spot colour.
- Using PostScript or Metafont fonts.

One day workshop on

TECHNICAL WRITING USING LaTeX- *For beginners*

Date: 4th November, 2023

Venue: Govt. Engg. College
Barton Hill, Trivandrum

Organized By
Translational Research and
Professional Leadership Centre
Government Engineering College
Barton Hill, Trivandrum- 695 035

RESOURCE PERSON

Dr. Bijulal D.

Professor & UG Dean

Dept. of Mechanical Engineering
Government Engineering College
Barton Hill

Coordinators

Dr. Suja R
Coordinator, TPLC
Mob: 9495058367

Smt. Rajalakshmi C R
Assistant Professor, TPLC.
Mob: 7025594163
