

RAJIV GANDHI INSTITUTE OF TECHNOLOGY KOTTAYAM

Rajiv Gandhi Institute of Technology, established in 1991 and named in honour of former Prime Minister Rajiv Gandhi, is an engineering college under the Government of Kerala. It is affiliated with APJ Abdul Kalam Technological University and recognized by the All India Council for Technical Education.

The institute offers B.Tech in six disciplines, B.Arch, M.Tech with twelve specializations, MCA, and Ph.D. programs in various fields, with five of its **undergraduate programs accredited by NBA, and is ranked 7th in KIRF and 3rd among Government Engineering Colleges.**

CALL FOR PAPERS & TRACKS

Authors are invited to submit their original research manuscripts for consideration to be presented at the conference. The conference program schedule includes invited lectures and technical sessions.

The proposed tracks for **ICNGIS 2026** include, but are not limited to, the following:

TRACK1: Electrical Energy Systems and Smart Control.

TRACK2: Next Generation Communication Networks and Signal Processing.

TRACK3: Computing and Intelligent Systems.

TRACK4: Intelligent and Sustainable Infrastructures.

TRACK5: Smart Manufacturing and Engineering Simulation.

TRACK6: Microelectronics and Embedded Systems.

ICNGIS

The third International Conference on Next Generation Intelligent Systems (**ICNGIS 2026**) is organized by Rajiv Gandhi Institute of Technology, Kottayam, Kerala, with technical co-sponsorship from IEEE Kerala Section and financial support from the Directorate of Technical Education Kerala (DTE). The first edition was held in 2016 and the second in 2022.

The conference provides a platform for researchers and professionals to share ideas and research in emerging intelligent systems. It includes keynote lectures and technical sessions by academicians, industry experts, and researchers.
